

Humper (Bale Spike)

OVERVIEW

The **Browns Humper** is designed to efficiently carry two round bales side by side. With adjustable tine holders, it can accommodate round bales ranging from 900mm to 1800mm in diameter. The versatile design also makes it suitable for handling most square and rectangular bales, offering flexibility for a variety of bale sizes.

FEATURES

- Fitted with 800mm tapered, heavy-duty tines for enhanced durability
- Robust steel box-section design for strength and longevity
- Versatile design allows for rear mounting
- Adjustable Humper spike tines to accommodate various bale sizes

- Suitable for round bales with diameters ranging from 900mm to 1800mm
- Compatible with most square and rectangular bales
- Brackets sold separately
