

## Megascape - Front Mounted (box scraper)

### OVERVIEW

High capacity box scraper - reduces time and effort.

The Megascape can be front mounted to telehandlers, tractor loaders or skid steer machines.

It is automatic in operation as a push and pull scraper, with no levers or catches to operate. It has independently moving sides to follow uneven surfaces and ensure the slurry is retained within the box enclosure.

Brackets are incorporated into the top frame, which in turn is mounted on springs to ensure downward pressure on the rubber scraping blades to give a clean scraping action.

Available in five working widths.

Brackets sold separately.

## FEATURES

- Front mounted
- High capacity scraper - reduces time and effort
- Twin blade system for automatic push/pull operation
- No levers or catches
- Independently moving sides to follow uneven surfaces
- Weight transfer design ensures positive pressure on blades for a cleaner finish
- Rust and seize free rubber hinges
- Available in four working widths
- Brackets sold separately

## SPECIFICATIONS

### Megascape Front Mounted 5' 6"

Code	66175
Overall Width	1812mm
Working Width	1677mm
Depth	1215mm
Height	1090mm
Weight	344KG
Price	£1540.00

### Megascape Front Mounted 6' 0"

Code	66180
Overall Width	1964mm
Working Width	1829mm
Depth	1215mm
Height	1090mm
Weight	356kg
Price	£1565.00

### **Megascape Front Mounted 6' 6"**

Code	66185
Overall Width	2117mm
Working Width	1977mm
Depth	1215mm
